

"Drawing is not what one sees but what one can make others see." *Edgar Degas*

Course Teacher Information:

Ms. Mina Zhou teaches Art at BMH with a bachelor's degree in Art and Design. She is not only dedicated to the professional field of Animation Design but also in drawing. In her perspective, drawing is an art form. Artists exhibit their worlds and express their feelings to the public through art pieces. She has been teaching Art in various age groups and has profound experiences in inspiring students in creating high-quality artworks. In this CCA, students are invited to explore their creativity and expand their observational and representational skills with an emphasis on form, proportion, and perspective.

Course Overview

Enrollment Criteria

Students who have an interest in Art.

Engage and Assess

Students will begin their learning by first experimenting with different drawing mediums and also learning techniques like linear perspective and shading.

Explore and Develop

Students will continue to explore different mediums and subject matter, beginning to conduct their creative pencil drawing masterpieces.

Refine and Present

Students should see a significant improvement in their observational skills and ability to accurately represent objects, people, and landscapes they are drawing.

Parent Engagement Opportunity

Student Artwork will be displayed at Art show.

Others

Students may bring their own drawing tools. Pencils, charcoal, erasers and pastels will be provided in class.
