

Logic Games— Script Murder

Course Teacher Information:

Mr. Zhao now is our math teacher in the BMH. He holds the master degree of education in the Education university of Hong Kong and has had some excellent teaching experience before coming to the BMH.

Ms. Wang received a master's degree in education from Yunnan Normal University and has been teaching mathematics at BMH for a long time. This semester CCA will lead students to explore the drama, Monopoly, board games, chess and other colorful games, in the game to appreciate the charm of mathematics.
