Course Overview

Enrollment Criteria	Students who would benefit from football instruction and performing extra physical activity. Students should be good in health for this sports.
Engage and Assess	In the first weeks of the course, students will be assessed on their ability to cooperate in a team setting and their motor skill abilities specific to Football (passing and dribbling); games will be played to help children get to know each other and their teachers.
Explore and Develop	In the middle weeks of the course, students will begin to explore a range of football specific skills and game awareness through play based activities.
Refine and Present	In the final weeks of the course, students will be able to display their improved skills and showcase their learning by performing skills they have worked on and playing minor games of football.
Parent Engagement Opportunity	Parents are welcome to communicate with coach and watch students' training. Children will get a physical test and football learning report and certificate at the end of the course.
Others	Students need to bring their own water bottle, wear sports suit and sports shoes. Can bring their own football or use teacher's.
